Language trip in Europe

 **Language Day, 26 sept. 2022, Târgu Jiu, România**

We will celebrate the European Day of Languages on September 26, 2022. Our students have prepared various activities. We will deepen the meaning of the European Day of Languages, we will understand why it is important to know the languages of other European countries. We will make a virtual cultural trip through European countries. We will share impressions from Erasmus project experiences. We will organize a competition with challenges related to European languages and culture. Quizzes, poems, music, boards, PPT will be part of our program.
